

Registration

To register for a team, follow the steps below:

- Go to usta.com
- Click on tennis link
- Click on leagues
- Click on join the USTA: here you will get a membership. It is \$40 per year for an adult. Write down your membership number to use while you are waiting for your membership card. *(If you already have a current membership you can use your existing number)*
- Click on register for a team
- You will be prompted here to put your USTA membership number in. If you have a current USTA rating, it will come up. If not, it will give you the questionnaire to self-rate.
- You will need your Team Number to register on the team you want to play on. Enter it here. Confirm the team and level that shows up to make sure you put in the right number.
- You must fully complete the team registration process and receive a 2 digit player number in order to assure that you have been registered on the team.

Once your registration is complete, your name will show up on the team roster.

To See and print your USTA schedule, check the status of league:

- Go to usta.com
- Click on tennis link
- Click on leagues
- Type your name in the box and your team information will automatically show up.
- Click on match schedule and print report
